

Procedure

Requesting Additional Security Staff in Clinical Areas

Scope

Site	Service/Department/Unit	Disciplines
SCGOPHCG	Organisation Wide	Nursing, Facilities Management

Introduction

SCGOPHCG operates with 24-hour set security on site, however there may be occasions where additional, impromptu security resources are required for the management of specific high-risk inpatients.

This procedure outlines the processes and documentation required for the commencement and continuation of these ad hoc Security Officers.

Exclusions*:

- Patients from Franklin Centre
- Prisoners or Detainees admitted for treatment.

***Staffing will be provided by the respective services for these patients**

Risk Statement

Non-compliance with this procedure will:

Breach legislative requirements	☒	Impact on Patient Quality of Care	☒
Breach National/State/Hospital Policy	☐	Impact on Patient Safety	☒
Breach professional standards	☐	Misconduct	☐
Breach SCGOPHCG Mission & Values	☒	Staff Safety	☒
Other:	☐		

1. Procedure

1.1 Risk Assessment

Completion of a comprehensive risk assessment by the Clinical Nurse Specialist (CNS) /Clinical Nurse Manager (CNM) is used to determine the need for a Security Officer.

Daily risk assessment should be carried out by the CNS/CNM responsible for the patient in order to determine ongoing security requirements and document in the inpatient notes.

1.2 Approvals

The CNS/CNM will validate the need with the Divisional Nurse Director or after hours, with the Nurse Director on call.

1.3 Ongoing monitoring

Ongoing requirements will be communicated to:

- Security Dept.
- The Divisional Nurse Director for the service
- [The Patient Flow Distribution List](#)

1.4 Booking procedure

Following approval:

- complete the [NMHS Adhoc Security Officer Request Form](#)
- contact the Security Control Centre on 6457 2501
- forward the completed form to:
 - NMHS Security Management Team as specified by Security Control Centre
 - The CNS/CNM responsible for the area
 - The Divisional Nurse Director for the service
 - [The Patient Flow Distribution List](#)
(scgh_patientflowunitdistributiongroup@health.wa.gov.au)
- Document in the inpatient notes
 - the risk
 - strategies in place
 - the recommendations made
 - the outcome of the recommendations (Approval or not, by whom and when)

Compliance, monitoring and evaluation

A regular audit of the completed NMHS Adhoc Security Officer Request Forms will be undertaken to ensure this requirement is being fulfilled.
